## 7. Your course and assessment

The training and assessment offered by Superior Training Centre focuses on providing you with knowledge and skills required to meet the standard of performance required in the workplace. Each component of your course is called a “unit of competency” Each unit of competency is linked to specific skills and knowledge required in the workplace for the qualification you selected.

Our course outlines include the details of how we deliver the training to you as well as the assessment methods that will be used to assess whether you have reached the required standard of performance. Assessment methods are different depending on the qualification you have selected. In majority of cases these are written or oral questions/test, practical assessments, assignment, project and practical room observation.

### **Assessment**

Assessment at STC incorporates the requirements of the RTO Standards 2025, and in particular, **Training and assessment (Quality Area 1)** All assessments meet the assessment criteria of a training package on which the qualification is based. It is important to note that to be eligible for assessment, students must complete all Units of Competency requirements.

Your trainer/assessor will discuss the assessments that you are required to complete to complete your course. Instructions are provided to each student with every assessment. Make sure you consult with your assessor if you have any questions in relation to completing your assessments. Assessment is carried out by the comparison of your skills and knowledge against the requirements of the Packaging Rules for the qualification. It is in your long-term interests to ensure that all the skills necessary for the job have been mastered; our aim is to help you to learn those skills in the right way.

Assessment is competency based. This means that training is delivered based on units of competency developed by industry to national standards. Students' knowledge and skills are assessed against these units of competency based on what they 'can do' and know. Assessment is competency based. This means that training is delivered based on units of competency developed by industry to national standards. To show competence students are assessed on

**Theory** – written assessments

**Practical** – Showing applied theory through tasks in the workshop or classroom

**Workplace Performance**- sign off from a licensed tradesperson that the student can complete the tasks

When students can demonstrate competency or show that they can demonstrate their understanding or skill, they can be assessed as competent. If a student is not successful on the first attempt, he/she is provided with feedback and given further opportunities to demonstrate competency. Your assessment tasks will be assessed as either **Satisfactory or Not Satisfactory**, and you will need to pass all assessments in a unit to achieve an overall outcome of Satisfactory. If you are found not satisfactory for one or more of your assessments, you have 2 further attempts to complete the assessment and pass. **This will incur an additional fee** (see Appendix I). Should you believe that your Assessor hasn't made adequate decision, you can lodge an assessment appeal as per Complaints and Appeals Policy (see Section 21 of the Handbook or the website under Student Support).

### Principles of Assessment

Fairness	Assessment accommodates the needs of the VET student, including implementing reasonable adjustments where appropriate and enabling reassessment where necessary;
Flexibility	Assessment is appropriate to the context, training product and VET student, and assesses the VET student's skills and knowledge that are relevant to the training product, regardless of how or where the VET student has acquired those skills or that knowledge;
Validity	assessment includes practical application components that enable the VET student to demonstrate the relevant skills and knowledge in a practical setting; and
Reliability	assessment evidence is interpreted consistently by assessors and the outcomes of assessment are comparable irrespective of which assessor is conducting the assessment.

## Forms Of Evidence

In general, basic forms of skills evidence include:

- Direct performance/workplace evidence - current or from an acceptable past period from: extracted examples within the workplace – via Exemplar Profiling a system used for all students and apprentices <https://exemplarsystems.com.au/solution/exemplar-profiling/>
- Simulations, including competency and skill tests, projects and assignments
- Supplementary evidence, from:  
oral and written questioning, personal reports

## Rules of Evidence

Validity	Assessment evidence is adequate, such that the assessor can be reasonably assured that the VET student possesses the skills and knowledge described in the training product;
Sufficiency	The quality, quantity and relevance of the assessment evidence enables the assessor to make an informed judgement of the VET student's competency in the skills and knowledge described in the training product;
Authenticity	The assessor is assured that a VET student's assessment evidence is the original and genuine work of that VET student; and.
Currency	The assessment evidence presented to the assessor documents and demonstrates the VET student's current skills and knowledge.

## Submitting Your Assessments

Students must submit written assessment tasks along with a completed and signed Assessment Task Cover Sheet. Written tasks will not be accepted without a signed coversheet.

## Work Performance Evidence (WPE)

As part of your assessment, you are required to work in the industry that you are studying in – electrician, air conditioning and refrigeration. Students need on the job experience to show they can do the work to the training and industry standards in the interest of competency and safety. STC believes that international students, like apprentices, must work in the trade to become skilled at the trade. STC provides theory classes and simulated work environments to provide practical classes and assessments. All students should also be employed in the trade that they are training and have a licensed supervisor that can oversee their work and to gather Work Performance Evidence (WPE) while undertaking training.

International students can work 48 hours every fortnight (e.g 3 full 8-hour days per week) and unlimited hours in holiday breaks. Students should be employed within the first 6 months of starting the course. You will be set up an Exemplar Profiling account that logs your hours of work (electrotechnology electrician, air conditioning and refrigeration) or a 'Student Portfolio' for Third-party evidence verification folder (engineering fabrication trade) that includes pages that must be filled out as you do work related to your course.

### How to Use Exemplar Profiling

- Step 1 The RTO registers the student through their Exemplar Profiling account or the student can contact Exemplar Profiling directly via phone: 02 6100 214, email:

info@exemplarsystems.com.au or chat accessed via:

<https://profiling.exemplarsystems.com.au/auth/login> to register (once they have an employer).

- Step 2 Candidates complete weekly records through logging into the website or Exemplar Profiling App and enters their weekly record of work, also known as the weekly card.
- Step 3 An employer/supervisor verifies the work by using their 'login' to validate a summary of the candidate's weekly card.
- Step 4 Reports are generated by the program and placed on the website for the employer, candidate and RTO to view.
- Step 5 The RTO reviews work hours and confirms employment of the student

You are required to have you supervisor on the job such as a licensed electrician sign off that your work is industry standard. To assist in assessing the evidence, you must take photos (on the app or printed) that show you doing the work described. The portfolio will be checked periodically. This portfolio will also assist you in gaining employment elsewhere.

**Trainers/Assessors employed by STC are required to have:**

Vocational competencies at least to the level being delivered;

- b) Current industry skills directly relevant to the training and assessment being provided;
- c) Current knowledge and skills in vocational training and learning that informs their training and assessment; and
- d) Must hold the TAE40116 Certificate IV in Training and Assessment or TAE40110 Certificate IV in Training and Assessment qualification plus the following units:
  - either and the unit TAELN411 AELN411 or TAELN401A, and
  - either TAEASS502 or TAEASS502A or TAEASS502B
  - In addition, trainers and assessors must undertake professional development in the fields of knowledge and practice of vocational training, learning and assessment, including competency-based training and assessment.

**Student Plagiarism, Cheating, and Collusion**

Superior Training Centre has zero tolerance policy for plagiarism and cheating. Integrity is a key trait always expected from students, and only submit work that is your work with referenced acknowledgements of all texts and resources used in the development of the work. When you submit your assessments, you will be required to sign a declaration that the work provided is your own, and that you have not cheated or plagiarised the work or colluded with any other students.

Where a student is suspected of plagiarising, cheating, or colluding, Superior Training Centre will take the necessary steps to detect if this has occurred by comparing work with electronic reference materials, internet resources, and the work of other students.

If you are found to have done any of the above, you will be given an opportunity to respond. If the alleged case turns out to be true, we will be required to take disciplinary action which is likely to require you to re-sit the assessment. Disciplinary action may lead to the suspension or cancellation of your enrolment.

**8. Maintaining Your Enrolment and Course Progress**

You must meet course progress requirements to satisfy the conditions of your visa. These course progress requirements will be clearly explained to you during the orientation

program. Superior Training Centre will assist you to meet course progress requirements by monitoring your progress and providing you with the relevant support at an early stage. We can provide you with a range of support by providing extra time to complete tasks, reducing study load, or assisting through a study skills program – this called a **Student Intervention Strategy**. If after providing you with this support, you do not meet course progress requirements, you will be issued with a first warning letter stating that your course progress is unsatisfactory. You will also be invited to a meeting to discuss further support. Following the provision of this support, if your progress is still unsatisfactory, you will be sent a second warning letter and another invitation to a meeting to discuss unsatisfactory course progress and new or revised support arrangements will then be arranged.

Where you continue not to meet course progress requirements in two consecutive study periods (terms), you will be reported to DHA via PRISMS for not meeting course progress requirements and your enrolment cancelled.

You may appeal the decision to report you. However, an appeal will only be considered if Superior Training Centre has:

- not recorded or calculated the student's marks correctly
- not provided appropriate support as mentioned in this Handbook
- not implemented other policies such as assessment and feedback which could impact on the student's results
- or there are compassionate or compelling reasons which have contributed to the unsatisfactory progress

Circumstances that are compassionate or compelling circumstances include (but are not limited to):

- Serious illness or injury, where a medical certificate states that the student was unable to attend classes
- Major political upheaval or natural disaster in the home country resulting in a, serious impact on student studies - travel back to home country.
- A traumatic experience which has impacted on the student and which could - include involvement in, or witnessing, a serious accident. These cases should be supported by psychologist reports
- Where Superior Training Centre is unable to offer a pre-requisite unit
- Where the student is unable to begin studying on the course commencement date due to delay in receiving a student visa;

## **Attendance**

As well as meeting course progress requirements, you must also meet attendance requirements as part of your visa conditions. It is expected that you will attend all classes as they are currently scheduled – 16 hours at STC, online tasks, assignments, and 4 hours working in industry ; however, we understand that in some cases you may not be able to get to a class because of your personal circumstances such as illness or family matters. To maintain satisfactory attendance, you must attend at least **80% of your classes**. With regards being late: tolerance of 30 minutes is allowed. Later arrival will be noted as 'absent'. Where you are at risk of not meeting attendance requirements, we will contact you to arrange a meeting to discuss your attendance and any support needed to meet attendance requirements. Once you are warned about your attendance requirement and given relevant support, continued failure to uphold attendance requirements will result in Superior Training Centre cancelling your enrolment.

In some cases, you may not be reported if attendance falls below 80%. Your attendance will not be reported if it is at least 70% and you are maintaining satisfactory academic

performance. You may also not be reported in the case of compassionate or compelling circumstance (i.e. those beyond your control and which have an impact on your course progress or wellbeing). See the Completion, Progress and Attendance requirements in the **Student Downloads** section of our website

#### **Attendance Procedures**

Your attendance will be recorded by your Trainer when you attend the training facility and undertake assessment or review content and based on when you visit the learning management system (LMS). If you are sick or have a personal problem which cannot immediately be resolved, phone Student Services to let them know.

#### **Sick Leave**

Students who feel they are unable to undertake any aspect of the qualification because of illness are required to submit a sick certificate from a registered medical provider to Superior Training Centre Pty Ltd. While missed assessments and deadlines will be entered onto the class rolls, these must be made up for before a certificate or qualification will be issued.

Students must apply for Approved Leave in writing and submit supporting documentation such as a medical certificate from a registered medical practitioner. If leave is requested beyond 3 training days during the term, students may be required to defer their studies and reapply to enter a later course.

#### **Deferral, Suspension, and Cancellation**

Superior Training Centre Deferral, Suspension, and Cancellation Policy and related procedures outline the circumstances in which a student can defer, suspend, or cancel their enrolment with Superior Training Centre. It also outlines circumstances in which Superior Training Centre can initiate the suspension or cancellation of the student's enrolment.

#### **Definitions**

To defer or suspend enrolment means to temporarily put studies on hold. A student may request a temporary deferment or suspension to his or her enrolment on the grounds of compassionate or compelling circumstances.

**Deferral** is defined as postponement of the commencement of enrolment and suspension is a temporary postponement of enrolment. Note that a retrospective deferment or suspension may be justified if the student was unable to contact Superior Training Centre because of a circumstance such as being involved in a car accident.

**Cancellation** is where the student voluntarily withdraws or is required to withdraw from a course.

**Deferral and suspension** will be granted in compassionate or compelling circumstances. Compassionate or compelling circumstances are generally those beyond the control of the student and which have an impact upon the student's course progress or wellbeing. These could include, but are not limited to:

- serious illness or injury, where a medical certificate states that the student was unable to attend classes
- bereavement of close family members such as parents or grandparents (where possible a death certificate should be provided)
- major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies
- a traumatic experience that has impacted on the student which could include involvement in, or witnessing of, a serious accident or crime. Such cases must be supported by police or psychologist's reports
- where Superior Training Centre is unable to offer a pre-requisite unit
- inability to begin studying on the course commencement date due to delay in receiving a student visa

Superior Training Centre may also initiate suspension or cancellation of a student's enrolment on the grounds of misbehavior of the student or non-payment of fees. The Student Code of Conduct defines what is the behavior expected by students and what might be defined as misbehavior. Superior Training Centre Student Discipline Policy and Procedures will be followed to investigate the incident. In the case of student plagiarism, cheating or collusion, Superior Training Centre Student Code of Conduct will be followed.

Cancellation of the student's enrolment due to unsatisfactory course progress or attendance will be handled as per Superior Training Centre Course Completion, Progress and Attendance Policy and Procedures (P001).

Students may also initiate cancellation of their studies using Superior Training Centre Application for Withdrawal form. Students should note Superior Training Centre fees, charges, and refunds policy and procedure in relation to withdrawal.

## **9. Course Credit**

Course credit is where you are awarded advanced standing in a course because of existing qualifications, skills and experience you have. This means you are not required to participate in that part of the course you have enrolled in, saving you time and money.

Course credit can be awarded in three ways - through recognition of qualifications and statements of attainment issued by another Australian RTO, through credit transfer and through Recognition of Prior Learning (RPL). An explanation of each of these ways of gaining course credit is included below, as well as how to apply and the costs involved.

## **10. Recognition of Qualifications, Statements of Attainment Issued by Another RTO, and Recognised Prior Learning**

### **Recognition of Prior Learning (RPL)**

RPL involves the assessment of previously unrecognised skills and knowledge an individual has achieved outside the formal education and training system. RPL assesses this unrecognised learning against the requirements of a unit of competence in respect of both entry requirements and outcomes to be achieved. By removing the need for duplication of learning, recognition encourages an individual to continue upgrading their skills and knowledge through structured education and training towards formal qualifications and improved employment outcomes. This has benefits for the individual and industry. Most importantly, it should be noted that recognition is just another form of assessment and requires the same application of policy and procedures outlined in the Assessment section of this manual.

RPL is a formal acknowledgment of skills/knowledge/competencies already obtained through:

- Formal education
- Work experience
- Life experience

If a student's prior learning through formal training or at work is relevant to the qualification then the student may be exempt from some components of the qualification. The advantage of a successful application is that students will not have to repeat a subject in which they have already achieved a competency.

All students are eligible to apply for RPL. An initial assessment fee of \$550 applies.

The granting of RPL will result in a reduction in student tuition fees. The amount of fees reduction is dependent on the number of units for which RPL has been granted and the qualification which the student is enrolling in.

### **Steps to apply for RPL**

1. Students wishing to apply for RPL should complete the following steps:

2. Students will be required to complete an Application for RPL form and attach supporting documentary evidence and pay an initial fee of \$550.
3. Applications for RPL skills recognition will be processed by the head trainer promptly and applicants will be informed in writing of the application outcome within 15 working days. Where RPL has been granted, students will be informed of the amount of reduction in tuition fees and the commencement date of their qualification. The letter will also inform applicants of their ability to appeal the decision if not satisfied, by writing to the head trainer within 14 days.
4. Appeals to the head trainer shall be accepted in cases where RPL skills recognition is not granted. Appeals must be made within 14 days of the original decision.

### **Credit Transfer (CT)**

As a condition of registration, STC is required to recognise and grant Credit Transfer for Nationally Recognised qualifications from other RTOs. This is called national recognition.

#### **Steps to apply for CT**

1. Students to review the unit descriptions in the qualification outline and make an initial self-assessment of the units for which they wish to apply for Credit Transfer.
2. Contact STC and lodge an application along with evidence to support the application. Qualifications and Statements of Attainment issued by other RTOs must be originals or appropriately certified copies.
3. The Head Trainer or appointed trainer, will review the CT application form and note on the form whether the units applied for are approved or not.
4. The granting of CT will result in a reduction in student tuition fees for fee-paying students. The amount of fee reduction is dependent on the number of units for which CT has been granted and the qualification which the student is enrolling in.
5. Applicants are advised of the decision in a CT letter within 5 working days. Where Credit has been approved, students will be informed of the amount of reduction in tuition fees and the commencement date of their qualification the letter will also inform applicants of their ability to appeal the decision if not satisfied, by writing to the head trainer.
6. Appeals to the head trainer shall be accepted in cases where the applicant is not satisfied with the decision.
7. Appeals must be made within 14 days of the original decision.

A copy of the Credit Transfer Application and the Letter are placed in the Credit Transfer folder and stored in Student Administration.

## **11. Superior Training Centre's Fees and charges**

A \$250 non-refundable application fee applies to all our courses. You can find up to date fees and charges information in the course outline for your course and other fees at **STC Price List Appendix 1**.

These fees and charges will be shown in a **written agreement** that we will send to you with a letter of offer once your application has been accepted. You will receive a tax invoice for the amount you are required to pay. The tax invoice will provide you with the Superior Training Centre nominated account for payment, of fees held in advance. You can pay your fees by

direct bank transfer. All prepaid fees are protected in line with the requirements of the VET Quality Framework and with the ESOS Framework. The VET Quality Framework legislates the provision of training and assessment in Australia and the ESOS Framework regulates the standards for provision of education to international students.

Course fees include all administration, materials, and tuition fees but does not include fees for Exemplar Profiling as this account is used after graduation to log work hours. Any optional textbooks or materials that are not required for completion of the course are not included in the course fees. Course fees also include up to 2 attempts at each assessment per unit. Kindly be advised that absence in one of these attempts for any reason unless medical (medical certificate to be provided) will be counted as one attempt. You will not be allowed to sit assessment if you haven't attended at least 80% of hours in particular Unit of Competency. However, if after these attempts you have not passed, you will either be issued with a Statement of Attainment for the parts of the course that you have passed, or you will be required to re-sit a portion of the course. To re-sit a part of the course you require to gain your qualification, a re-sit the entire unit must be paid.

Also, students who fail the assessment (of in case where there are few assessments in the unit) two times or have a 'non genuine result' which is classified at less than 40% assessment result, re-sit the entire unit – meaning going back to class, paying additional fees to redo the unit (**see STC Price List Appendix 1**). Students will be sent an invoice from the Accounts and will redo the unit upon payment.

Note, if student has failed a unit which is a prerequisite for further units, STC will need to stop the student from attending further classes until Unit of Competency that needs to be repeated is passed.

Note: not all Units of Competency are delivered at the same time. They are delivered according to STC's Training Schedule. Student should keep in mind that potential delay in continuing studies, after the re-sit of the failed Unit of Competency.

This might affect the duration of your studies and an extension of a CoE might be considered - speak to student services. Note: all CoE extensions will incur a fee – example: extension of three months is equivalent to an Instalment amount (see Appendix II).

### TPS Tuition Protection Service

The [Tuition Protection Service](#) is an Australian government-run placement and refund service for international students. It is highly unlikely you would ever need this service. TPS help international students on the rare occasion that an RTO would be unable to refund or deliver a program that you have paid for. If STC could not fulfil our legal obligations to make alternative course replacements or provide a refund, the TPS would assist you to find an alternative place or provide a refund of any unspent tuition fees. The TPS will ensure that you are able to either:

Extenuating circumstances relating to the welfare of student may include where the student refuses to maintain approved care arrangements (only for students under 18 years of age; is missing; has medical concerns, severe depression psychological issues which lead the provider to fear for the student's well-being; has engaged, or threatens to engage in behaviour that is reasonably believed to endanger the student or others; or is at risk of committing a criminal offence.

## **22. Complaints and Appeals Policy**

Superior Training Centre Complaints and Appeals Policy and related procedure have been developed to ensure that Superior Training Centre responds effectively to individual cases of dissatisfaction. This policy outlines Superior Training Centre approach to managing complaints and appeals and ensures that all clients, students (domestic and international), employers, and other stakeholders are aware of the steps to take to have their dissatisfaction addressed appropriately.

This policy provides an avenue for all complaints to be addressed in a fair, efficient, and confidential manner. There is no cost to any person to access the complaints and appeals process. This policy ensures compliance with the VET Quality Framework, and the National Code Standard 10: Complaints and appeals. International students will be informed of, and provided with information pertaining to Superior Training Centre compliance policy and the complaints and appeals procedure during their orientation.

A "complaint" refers to a person's expression of dissatisfaction with any service provided by Superior Training Centre; whereas an "appeal" refers to a request to review a decision that has been made previously.

### **Complaints and Appeals Systems**

Despite all efforts of Superior Training Centre to provide satisfactory services to its students, clients, workplaces and others, complaints may occasionally arise requiring formal resolution. Individuals are encouraged, wherever possible, to resolve difficulties directly with the person(s) concerned to deal with the issue before it becomes a formal complaint. Superior Training Centre administration staff and trainer/assessors are available to assist students to resolve their issues at this level and/or to assist the student with lodging the relevant documentation for the submission of formal complaint.

Complaints and appeals may be made be in relation to any of Superior Training Centre services, activities, and decisions. Complaints may involve the conduct of STC Trainers, assessors, other staff, third parties or a learner of STC. Examples below:

- the selection process
- the enrolment, induction, and/or orientation process
- the quality of training and assessment provided
- training and assessment matters, including student progress, assessment, curriculum and awards in a course of study
- access to records
- decisions made by Superior Training Centre
- the way someone has been treated

Superior Training Centre is committed to developing and maintaining an effective, timely, fair, and equitable complaints and appeals system which is easily accessible and offered to complainants at no charge.

Superior Training Centre aims to:

- Develop a culture that views complaints and appeals as an opportunity to improve the organisation and how it works
- Set in place a complaints and appeals handling system that is client focused and helps Superior Training Centre to prevent these events from recurring
- Ensure that any complaints and appeals are resolved promptly, objectively, with sensitivity, and in complete confidentiality
- Ensure that, in the case of international students, complaints are resolved promptly as to not impact on the student's study time in Australia as determined by their visa;
- Ensure that the views of each complainant and respondent are respected and that any party to a complaint or appeal is not discriminated against nor victimised
- Ensure that there is a consistent response to complaints and appeals

All formal complaints and appeals will be responded to efficiently to ensure an effective resolution within a reasonable timeframe. This timeframe is usually 20 working days or as soon as practicable. However, in some cases, particularly if the matter is complex, the resolution may take longer.

All formal complaints and appeals and their outcomes will be recorded on the Complaints and Appeals Register with a detailed record of the complaint and outcomes. This will be kept permanently to allow all parties to the complaint or appeal appropriate access to the records if required. Records of complaints and/or appeals made by a student will be saved in the student's file. Complaints and appeals will be reviewed by management to identify root causes of the complaint or appeal and to identify any areas requiring improvement to prevent similar recurrences in the future. There is no cost to access the complaints and appeals process with Superior Training Centre. All records relating to complaints and appeals will be treated as confidential and will be covered by Superior Training Centre Information Privacy policy and related procedure do not replace or modify those or any other responsibilities which may arise under other policies, statute, or any other law. Nothing in this policy and related procedure limits the rights of individuals to take action under Australia's Consumer Protection laws. This policy does not circumscribe an individual's rights to pursue other legal remedies.

### Lodging an appeal

Appeals against a decision made by Superior Training Centre during the complaints process may be made in writing to the General Manager using Appeals form or another written format. When making an appeal, the student should provide as much detail as possible to enable Superior Training Centre to investigate appropriately and determine a solution. This should include:

- The issue that is the cause for appeal
- Any evidence that supports the appeal
- Details about the steps that have already been taken to resolve the issue
- Any suggestions for how the issue might be resolved

The receipt of the appeal will be acknowledged via email within 2 working days of receiving the appeal. Upon

receiving the appeal, the General Manager will investigate the matter and ensure that Superior Training Centre has accurate, complete, and relevant information. This may include gaining extra details from the appellant (the person who made the original complaint) and any other involved parties about the issue.

These consultations will preferably be conducted face-to-face. The General Manager will decide on an appropriate resolution and advise the appellant in writing of the how the matter will be resolved along with reasons for the decision within 20 working days of the appeal being made. If the matter is particularly complex, the matter may take longer to resolve. If the student remains dissatisfied, they may lodge an external complaint or appeal.

Where the internal appeals process recommends a deferral, suspension, or cancellation of an international student's enrolment initiated by the registered provider, the overseas student must be given a notice of intention to report and 20 working days to access the registered provider's internal complaints and appeals process.

The General Manager will notify The Department of Education (DoE) through PRISMS of the change to the student's enrolment. The student then has 28 days in which to:

- Leave Australia
- Show the Department of Home Affairs (DHA) a new Confirmation of Enrolment (CoE) with another provider.
- Provide DHA with evidence that he or she has accessed an external appeals process

The overseas student does not have to be given the opportunity to appeal a provider-initiated deferral, suspension, or cancellation of enrolment when the overseas student's health or wellbeing, or the wellbeing of others, is likely to be at risk. The registered provider must keep evidence to support this. This may include, but is not limited to when the overseas student:

- refuses to maintain approved care arrangements if they are under 18 years of age.
- is missing.
- has medical concerns, severe depression or psychological issues which lead the provider to fear for the overseas student's wellbeing.
- has engaged or threatens to engage in behaviour that is reasonably believed to endanger the overseas student or others; or
- is at risk of committing a criminal offence.

### **External Appeals**

Where the appellant remains dissatisfied with the outcome of the complaints and appeals process, the appellant can access an external complaints or appeals process at their own cost. Appellant must ensure they have accessed the internal processes first. Superior Training Centre must advise the overseas student within 10 working days of concluding the internal review of the overseas student's right to access an external complaint handling and appeals process at minimal or no cost.

- NSW Fair Trading: <http://www.fairtrading.nsw.gov.au/-ConsumerAffairs>
- ASQA – External complaints appeals: <https://www.asqa.gov.au/students/complaints>

Note: ASQA can only deal with complaints about:

- the information provided by an RTO about its course/s
- the delivery and assessment of training received
- the qualifications issued or to be issued

International students may also lodge an external appeal to the Overseas Students Ombudsman who offers a free and independent service to overseas students who have a complaint or want to lodge an external appeal about a decision made by Superior Training Centre. Students can view the Overseas Students Ombudsman website <https://www.ombudsman.gov.au/How-we-can-help/overseas-students> or call on 1300 363 072 for further information. Superior Training Centre will be bound by the external reviewer's recommendations and the General Manager will ensure that any recommendations made are implemented within 28 working days of receipt of the decision made by the external reviewer.

### **Appealing an Assessment Decision**

An appeal of an assessment decision may be made in writing to the General Manager using Appeals Form or other written format within 20 working days of the assessment decision being made. The request must include reasons why the assessment appeal is being made.

Upon receipt of the appeal, an internal review of the assessment will occur, and the General Manager may request further information from the appellant.

The assessment will then be reviewed which may involve:

- the appointment an independent, qualified assessor to review the assessment

- the original assessor reviewing the assessment decision

All reasonable measures will be taken to ensure that an assessment appeal is resolved within 20 working days.

The General Manager will ensure that the appellant is advised in writing or email of the outcome along with reasons for the decision within this timeframe.

### **Enrolment Status during Complaints and Appeals Process**

For international students, where a student chooses to access this policy and procedure, Superior Training Centre will maintain the student's enrolment while the complaints and appeals process is ongoing.

Except in cases of suspected serious misconduct, students must continue to attend classes. There may be some cases where it is considered more appropriate for the student to complete work outside of the classroom environment, and this will be discussed with the student when the complaint or appeal is lodged. For international students, Superior Training Centre will maintain a student's enrolment throughout the internal appeals process. In the case of an external appeals process, it will depend on the type of appeal as to whether Superior Training Centre maintains the student's enrolment as follows:

If the appeal is against Superior Training Centre decision to report the student for unsatisfactory course progress or attendance, the student's enrolment will be maintained until the external process is completed and has supported or not supported Superior Training Centre decision to report.

If the appeal is against Superior Training Centre decision to defer, suspend, or cancel a student's enrolment due to misbehaviour, Superior Training Centre will notify the DOE through PRISMS of a change to the student's enrolment after the outcome of the internal appeals process, not the external appeals process as outlined above.

For international students, maintaining the student's enrolment means that Superior Training Centre will not notify the DOE of any change to the student's enrolment status through the PRISMS.

## **23. Graduation**

Once you have successfully completed all the Units of Competency required by your course, you will receive your Certificate at the office or via mail. The Certificate lists the qualification gained and all the individual units that make up the subjects within the course.

A statement of attainment showing any units completed will be issued if you partially complete a qualification such as in the case of withdrawal. Superior Training Centre has the right to with/hold the issuance of qualifications until all fees related to the course have been paid except where Superior Training Centre is not permitted to do so by law.

## **25. Re-Issuing Statements and Qualifications**

## Keeping in Contact

Before you leave home, you should provide your family, friends, and your education provider in Australia with flight and accommodation details for your trip to Australia. Do not change these details without informing them. Once you have arrived in Australia, you should then let your family and friends know that you have arrived safely. For safety reasons, always let someone know where you are.

## Arranging Your Finances

The currency of Australia is the AUD (Australian Dollar). In best case scenario you would have your currency changed to AUD before you arrive. If not, currency exchange kiosks are available around the Sydney Kingsford Smith Airport.

Currency exchanges are also available around Sydney CBD , and many banks are also able to exchange foreign notes for AUD.

The amount of money you will need to bring into Australia will depend on whether you have already paid for your accommodation before your arrival. Think about how much money you will need to last you for 3 months. Although you can work on a student visa it can take time to find and start a job and hours are limited.

Find out more about money matters by visiting <https://www.studyinaustralia.gov.au/English/Live-in-Australia/Living-costs>

## Accommodation

Home stays are a great way to get to know your new community and culture and to improve your English. There are a few different types of home stay arrangements. Most will require a written set of guidelines or obligations for both the host family and the student.

### Full Board

In Australia, "full board" implies that with payment of a fee, you generally receive:

- ✓ Your own bedroom (with bed, desk, lamp and wardrobe)
- ✓ Three meals a day (self-serve breakfast and lunch, plus a cooked dinner)
- ✓ Electricity, gas, and water bills included in rent fee
- ✓ Involvement in family activities

The average cost for full board is around AUD \$300+ a week depending on the location. In

most of the cases phone and Internet are at extra charge.

### **Part board**

In Australia, "part board" implies that with payment of a fee, you generally receive:

- ✓ Your own bedroom (with bed, desk, lamp and wardrobe)
- ✓ Electricity, gas, and water bills
- ✓ Use of kitchen and laundry

"Board in exchange" generally means that you shall receive free or low-cost accommodation in return for household duties (e.g. some general cleaning or looking after the children). Be careful and establish what are the fair hours you need to provide.

### **Other Accommodation**

Also, there are other types of accommodation. Sydney rents are quite high and you will need to prepare well in advance for the selection and application process (different depending on the rental agency) as well as 4 weeks bond in advance. Weekly rental costs vary from suburb to suburb and according to the size and quality of accommodation. Please visit [www.realestate.com.au](http://www.realestate.com.au) for overview of rental fees and rental processes.

Utilities (Electricity, Gas, Water etc) vary depending on the provider and you should consult number of providers prior to selecting one.

### **More Accommodation Information**

You can find further information here:

<https://www.study.sydney/live/accommodation>

### **If you are bringing family with you**

As per conditions laid out for the international students, your family must meet visa requirements are well. Ensure that their health insurance is covered. Australian Department of Home Affairs outlines which are the visa conditions for your family (family members include your partner and your children under 18 years of age)

You will need to provide proof of your family relationships with official documents which can include birth certificates and marriage certificates. For more details, visit

<https://www.homeaffairs.gov.au/>

**Where you have dependent children that need to attend childcare or school, you should be aware of the costs arising from that – school fees for international students apply. For NSW Schools please visit <https://www.deinternational.nsw.edu.au/study-options/study-programs/international-student-program>**

## **31. Health**

### **Emergencies**

For emergencies, dial 000 for services such as ambulance, police, or firefighters. When you dial 000, you will be asked for the service you need and details on the current emergency. You will also be asked for your name, address, and telephone number.

Australian police protect people and properties, detect and prevent crime, and preserve

peace for everyone. They are not connected to the military or politics.

### **Fire**

The fire brigade extinguishes fires, rescues people from fires in cars and buildings, and helps in situations where gas or chemicals become a danger. As soon as a fire starts, call 000 no matter how small or large the fire may be.

### **Ambulance**

Ambulances provide immediate medical attention in an emergency as well as emergency transportation to the nearest hospital. To access an ambulance, call 000. Other Medical Assistance Emergency medical treatment is available 24 hours a day at the emergency or casualty department of a public hospital and at some medical centres. Public and private hospitals are listed in the White Pages telephone General Managery under 'Hospitals', and you can also find them by searching on the internet. If you need to go to a hospital, remember to bring your health insurance card and any medicines you are currently taking. For anything other than an emergency, seek medical help from a general practitioner (GP) at a local medical centre.

### **Overseas Student Health Cover**

Australia has a special system of health cover for international students called Overseas Student Health Cover (OSHC). You will need to buy OSHC before you come to Australia to cover you from the date you arrive. The Department of Home Affairs requires you to maintain OSHC for the duration of your time on a student visa in Australia.

You can choose to take out OSHC with a provider recommended by us, or with the Australian OSHC provider of your choice. There are five providers of OSHC in Australia. Visit these websites to find detailed information on what they cover and decide which provider is right for you:

- Australian Health Management OSHC [www.ahmoshc.com](http://www.ahmoshc.com)
- BUPA Australia [www.overseasstudenthealth.com](http://www.overseasstudenthealth.com)
- Medibank Private [www.medibank.eom.au/Client/StaticPages/OSHCHome.aspx](http://www.medibank.eom.au/Client/StaticPages/OSHCHome.aspx)
- OSHC World care [www.oshcworldcare.com.au](http://www.oshcworldcare.com.au)
- NIB OSHC [www.nib.eom.au/home/newtonib/overseasstudents](http://www.nib.eom.au/home/newtonib/overseasstudents)

OSHC will help you pay for any medical or hospital care you may need while you're studying in Australia. It will contribute towards the cost of most prescription medicines and to the cost of an ambulance in an emergency. For more information on what your OSHC insurance covers as well as what to do if you need treatment, refer to the Department of Health and Ageing's (DOHA) Frequently Asked Questions.

OSHC does not cover dental, optical, or physiotherapy. If you want to be covered for these treatments, you will need to buy additional private health insurance such as:

- Extra OSHC provided by some OSHC providers; or
- International travel insurance; or
- General treatments cover with any Australian private health insurer. You can find a list of these providers and search for the one that suits you best at [www.privatehealth.gov.au](http://www.privatehealth.gov.au) or [www.iselect.com.au](http://www.iselect.com.au)

## **32. Working in Australia**

As a student visa holder, you can work up to 48 hours a fortnight during term time and as full time during STC term breaks and end of year holidays. You can phone or check

<https://www.studyinaustralia.gov.au/English/Live-in-Australia/work>

### 33. Living Costs in Australia

Migration regulations in Australia require international students to show evidence that they can contribute to the cost of living and studying in Australia. This helps to ensure students are better able to make the most of their studies and have a safe and enjoyable experience in Australia. While international students can supplement their income with money earned through part-time work in Australia, the 'living costs' requirement helps to support the success of students in their studies by ensuring that they don't have to rely on such work to meet all their expenses.

- The Australian Government has announced an increase to the amount of savings international students will need to apply for a student visa.
- **Minimum required funds to meet financial capacity requirements**

	Financial capacity requirement after 10 May 2024
primary applicant	AUD29,710
spouse or de facto partner of the Student primary applicant (not applicable to Student Guardian applicant)	AUD10,394
dependent child	AUD4,449
annual school costs	AUD13,502

Students must demonstrate that the funds they are relying upon to meet the costs of studying in Australia will be genuinely available to them during their stay in Australia. The figures above **are indicative only and costs can vary significantly** depending on where you live in Australia. You should be prepared in case your living costs are greater than the indicated figures. For more information visit the Department of Home Affairs website. Also see [cost of living site](#) in Studying in Australia.

#### Budgeting

Once you have settled in, you should work out a budget that covers costs which include clothing, food, accommodation, transport, entertainment, and childcare expenses (if applicable). It is important to be aware of how much money you spend and where you are spending it. Sticking to a budget will ensure you are on top of where your money goes.

The Insider Guides 'Cost of Living Calculator' is also a useful, practical tool to help estimate your [cost of living](#) in Australia [www.insiderguides.com.au/cost-of-living-calculator/](http://www.insiderguides.com.au/cost-of-living-calculator/).

#### Shopping

All Australian major town centres and capital cities shopping facilities with opening hours generally 9.00am to 5.30pm seven days a week with late night shopping until 9.00pm on Thursdays. Some supermarkets are open 24 hours, seven days a week.

Mainstream grocery stores in Australia include Coles, Woolworths, IGA, and Aldi. Major department stores in Australia include Myer and David Jones, Big W, Kmart, and Target.

## **Clothing**

While there are no set rules on clothing in Australia, many workplaces, restaurants, clubs, and bars have a dress code. Australian people generally dress in modern clothing influenced by personal taste, status, place of work, lifestyle, and location. The cost of clothing in Australia can vary. There are several quality variety stores such as K-Mart and Big W where you can find low cost clothing and shoes of all varieties. Department and specialty stores such as Myer and David Jones carry more expensive higher end clothing labels.
