

## NSW Smart and Skilled Fee Administration Requirements Policy

### Relevant NSW Smart and Skilled Requirements

This policy has been informed by the following relevant Smart and Skilled publications related to fee administration requirements:

- Contract Terms and Conditions 2021
- Smart & Skilled Fee Administration Policy 2021

### Purpose

Superior Training Centre complies with the requirements for Smart and Skilled eligible students to contribute towards the cost of subsidised training through the payment of a student fee.

This policy outlines the conditions for Smart and Skilled student fee and subsidy payments as well as exemption/concession eligibility requirements to include:

1. Student Fees and Programs
2. Student Eligibility
3. Charging Fees
4. Fee Categories
5. Validation of Student Eligibility and Fee
6. Evidence of Eligibility
7. Additional Fees
8. Paying Fees

### 1. Student Fees and Programs

Under NSW Smart and Skilled eligible students must contribute towards the cost of training through the payment of a student fee. The payment for Smart and Skilled Approved Qualifications is made up of the student fee and the subsidy from the NSW Government.

Student fees are:

- a. Set for the whole qualification only (not semester or annual)
- b. Lower for students doing their first post school qualification
- c. Set for the student and the qualification to be the same regardless of provider chosen

Superior Training Centre offers the following Smart and Skilled Programs covering qualifications from the NSW Skills List:

- a. Smart and Skilled Entitlement Full Qualifications (EFQ)
- b. Smart and Skilled Entitlement Apprenticeships and Traineeship (EAT)

### 2. Student Eligibility

To be eligible for subsidised training under a Smart and Skilled Program, a student must meet the relevant eligibility criteria for Smart and Skilled Programs. To be eligible to enrol in a Smart and Skilled Entitlement Full Qualification, a student must:

- a. Meet the citizenship requirements
- b. Be 15 years or over

- c. Live or work in NSW
- d. No longer be at school or its equivalent

NSW apprentices and new entrant trainees are automatically eligible for a Smart and Skilled subsidy for the NSW Skills List qualification that supports their apprenticeship or traineeship.

# Refer to Attachment 1 “Smart and Skilled Eligibility Criteria”

# Refer to Attachment 2 “Eligibility of Aboriginal and Torres Strait Islander students in defined Interstate NSW Border Areas”

### **3. Charging Fees**

There are different categories of student fees, based on the program, the qualification and the characteristics of the student. The schedule of fees for each qualification on the NSW Skills List can be accessed at: [www.training.nsw.gov.au/smartandskilled/prices\\_fees.html](http://www.training.nsw.gov.au/smartandskilled/prices_fees.html)

The different categories of student fees are also explained in detail in Fee categories and eligibility

The fees applicable under the TPPPQ Program are set out in the relevant Activity Schedule.

Superior Training Centre will only charge the student the relevant fee set by the NSW Government for the subsidised training the student is undertaking. The student fee to be charged will be confirmed when Superior Training Centre enters the student data into the Smart and Skilled Provider Calculator. Superior Training Centre will not charge the student any additional fees, except for additional costs outlined in the section regarding additional costs to a student.

*Note:*

*All references to charging a student a fee encompasses charging anyone else who may pay the fee on behalf of the student. This includes but is not limited to:*

- *The student*
- *The student’s employer*
- *Parent/guardian*

### **Student fees for part qualifications**

There are three x part qualification streams that are subsidised under the TPPPQ Program:

1. prevocational and foundation skills
2. pre-apprenticeship or pre-traineeship
3. priority groups and industries.

A student undertaking a part qualification under the TPPPQ Program will not be charged a fee. The subsidy Superior Training Centre receives will cover the full cost of training. A student seeking to achieve a full qualification should not be enrolled in multiple part qualifications that make them eligible for the issue of the full qualification.

The student must be enrolled in the full qualification under the relevant Smart and Skilled full qualification program and will be required to pay the relevant fee. Completing a part qualification under the TPPPQ Program does not affect the fee eligibility of a student undertaking a full qualification under Smart and Skilled.

### **Student fees if a part qualification(s) has been achieved**

If a student has previously achieved a part qualification (including nationally accredited skill sets), and the student subsequently undertakes a full qualification under the EFQ or TPFQ.

Programs, and they are required to pay a student fee, then the student must pay either the Standard Student – First Qualification Fee or the concession fee.

Achievement of a part qualification is not deemed to be post-school qualification. In some instances, a student may undertake two or more part qualifications, and as a result, they are awarded a full qualification. If the student subsequently undertakes a full qualification under the EFQ or TPFQ Programs, and they are required to pay a student fee, then the student must pay either the Standard Student – Subsequent Qualification Fee or the concession fee. The student must indicate at enrolment that they have previously achieved a full qualification.

### **Fees for Continuing Students**

The student fee is for the whole qualification and should be determined at enrolment. It therefore applies for the duration of training for a particular enrolment (CID) even where the student is undertaking training over more than one contract period.

### **Student fees for programs outside Smart and Skilled**

Where training is part of fee for service arrangements made between an organisation and Superior Training Centre, student fees would be covered through these arrangements. These arrangements are outside Smart and Skilled. A student who subsequently wishes to apply for Smart and Skilled subsidised training will be subject to Smart and Skilled general and fee eligibility requirements

## **4. Fee Categories**

### **Fee Categories and Eligibility**

The student fee categories are:

1. Standard Student
  - First Qualification
  - Subsequent Qualification
2. Apprenticeship
3. Traineeship
4. Concession
5. Exemptions and fee-free training

The process for calculating fee arrangements is included in Appendix 2: Student fee arrangements. Evidence requirements for each of the fee categories is at Appendix 3: Proof of eligibility - Acceptable evidence.

### **Standard student fees**

The Standard Student fee applies to a student who is not doing an apprenticeship or traineeship or who does not qualify for a concession fee or one of the fee-free categories.

A student is required to declare any post-school qualifications to assess eligibility for a First

or Subsequent Qualification Standard Student fee.

Smart and Skilled data and data from the Unique Student Identifier may also be used as evidence of a previous post-school qualification achieved by the student, to assess the appropriate Standard Student fee.

### **Standard Student—First Qualification fee**

Applies to a student who does not already hold a post-school qualification from any tertiary sector. Qualifications include vocational and higher education qualifications achieved in Australia or overseas at any time previously.

The First Qualification fee also applies to a student who is 15-17 years old at commencement of training regardless of any previous qualification.

### **The Standard Student—Subsequent Qualification Fee**

Applies to a student who already holds a previous post-school qualification from any tertiary sector. This category includes vocational and higher education qualifications achieved in Australia or overseas at any time previously.

Qualifications achieved overseas that are not formally recognised in Australia are also considered to be a previous post-school qualification.

The Standard Student—Subsequent Qualification fee is the higher of the two Standard Student fees because a student undertaking a second or subsequent post-school qualification has already benefitted from training.

Where a student completes a Smart and Skilled qualification and enrolls in another Smart and Skilled qualification (except an apprenticeship or traineeship), the student will be charged the Standard Student—Subsequent Qualification fee for the subsequent qualification

*Note:*

*There is no limit to the number of previous qualifications a student can hold.*

### **Qualifications not deemed to be post-school qualifications**

The following qualifications are not deemed to be post-school qualifications, and as a result, a student who holds one of these post-school qualifications will only be required to pay the First Qualification Fee.

- qualifications achieved while at school as part of a student's secondary education
- qualifications achieved prior to turning 17
- Certificate I qualifications
- Certificate IV Tertiary Preparation.
- Smart and Skilled Entitlement Foundation Skills qualifications
- Any other foundation skills qualification that is aimed at developing foundation skills as identified in the "National Foundation Skills Strategy" (up to and including Certificate III), including:

- English language, literacy and numeracy (such as listening, speaking, reading, writing, digital literacy and use of mathematical ideas)
- Employability skills (such as collaboration, problem solving, self-management, learning and information and communication technology skills required for participation in modern workplaces and contemporary life)

### **Traineeship fees**

Traineeship fees apply to NSW New Entrant Trainees undertaking training in a qualification offered on the NSW Skills List as part of a traineeship pathway that supports their traineeship.

Under the NSW Government's Fee-free Traineeship Initiative, NSW trainees who are funded under Smart and Skilled, and commence subsidised training on or after 1 January 2020, are eligible for free training.

A trainee eligible under this initiative will be exempt from fees for their traineeship qualification. Please see Appendix 8: Fee-free Traineeships for further information and eligibility requirements.

For trainees who are not eligible, the fee for a qualification delivered to a trainee under a traineeship pathway is lower than for a non-traineeship pathway and is capped at \$1,000.

### **Concession fees**

Concession fees are discounted fees for a disadvantaged student. Concessions fees are a flat fee for the qualification level.

A student who receives a specified Commonwealth Government benefit or allowance, as listed at Appendix 4: Specified Commonwealth Government benefits and allowances for concession fees, is eligible for a concession fee for a qualification up to and including Certificate IV. The student must be in receipt of the specified benefit or allowance at the time of enrolment to be eligible.

The concession fee is also available to a student who is a dependant of a person receiving a specified Commonwealth Government benefit or allowance. To be eligible for the concession the person who the student is a dependant of must be receiving the benefit or allowance at the time of enrolment.

There are no concessions for a student enrolling in a Diploma or Advanced Diploma.

### **Exemptions and fee-free training**

A student who falls into one of the following categories will qualify for fee-free training:

- Australian Aboriginal and Torres Strait Islander
- student with a disability(ies)
- dependant child, spouse or partner of a recipient of a Disability Support Pension
- refugee or asylum seeker
- recipient of a Fee-Free Scholarship
- studying a qualification under the Entitlement Foundation Skills Program

Under the Fee-free Apprenticeship Initiative and the Fee-free Traineeship Initiative, apprentices and trainees who meet the eligibility criteria will also be eligible for fee-free training. Please see Appendix 7: Fee-free Apprenticeships and Appendix 8: Fee-free Traineeships for further information and eligibility requirements.

Under the Skilling for Recovery Initiative, students who meet the eligibility criteria will also be eligible for fee-free training. Please see Appendix 9: Skilling for Recovery Initiative for further information and eligibility requirements.

### **Fee exemption for an Aboriginal and Torres Strait Islander student**

An Australian Aboriginal and Torres Strait Islander student can prove their status and eligibility for a fee exemption through descent, self-identification and community identification.

A student eligible for this fee category will be exempt from fees for any Smart and Skilled enrolments for which they are eligible.

### **Fee exemption for a Student with a disability(ies)**

A student will be eligible for a fee exemption on the basis of disability if the student is:

- in receipt of the Commonwealth Government Disability Support Pension, or
- assessed as having documentary evidence of support demonstrating a clear additional need as a result of the student's disability.

A student eligible for this fee category will be exempt from fees for any Smart and Skilled enrolments for which they are eligible.

### **Fee exemption for a student who is a dependant of a person with a disability(ies)**

A student who seeks a fee exemption on the basis of this category will need to provide documentary evidence to show they are a dependant child, spouse or partner of someone who is receiving a Commonwealth Government Disability Support Pension.

A student eligible for this fee category will be exempt from fees for any Smart and Skilled enrolments for which they are eligible.

### **Fee-free training for refugees and asylum seekers**

A student who seeks a fee exemption on the basis of their visa status will need to provide visa documentation, or documentation such as an ImmiCard where appropriate, which states that they hold one of the visas specified in Appendix 6: Refugees and asylum seekers.

A student eligible for this fee category will be exempt from fees for any Smart and Skilled enrolments for which they are eligible.

### **Fee-free Scholarships**

A student undertaking a full qualification up to and including Certificate IV may be eligible for a Smart and Skilled Fee-free Scholarship if they are:

- aged between 15 and 30 (inclusive) at the start date for training and eligible for a concession fee (i.e. a Commonwealth Government benefit recipient), or
- meet the Out-of-Home Care definition at the time of enrolment and are:

- aged 15-17 years and currently in out-of-home care; or
- aged 18-30 years and previously in out-of-home care; or
- aged 15 and over, and be able to disclose (self-declare) at enrolment that they meet the domestic and family violence definition. Fee-free training - Foundation Skills A student that meets the standard Smart and Skilled eligibility criteria and undertaking training under the EFS program will not be required to pay a fee.

## **5. Validation of student eligibility and fee**

Superior Training Centre uses the Provider Calculator to confirm students' Smart and Skilled eligibility for a qualification and the student fee (or no fee) to be charged.

Superior Training Centre does not charge a student a fee other than what is calculated by the NSW Government through the Provider Calculator. This means Superior Training Centre will not discount the fee, charge a higher fee or exempt a student from paying the fee or include additional costs that do not comply with the Smart and Skilled Fee Administration Policy. Circumstances may arise where the fee quoted by the NSW Government must be adjusted (such as where the student obtains a CT or RPL after enrolment or after commencement).

A Student Fee Estimator is available on the Course Finder search on the Smart and Skilled website that a student can use to check their eligibility and estimate their fee for NSW Skills List qualifications. This will be an estimate only, and the student fee to be charged will be confirmed when Superior Training Centre enters the student enrolment information via the Notification of Enrolment in the Provider Calculator.

## **6. Evidence of eligibility**

A student must declare that the information they provide with regards to eligibility is true, accurate, complete and not misleading.

Additionally, for some fee types, a student may be required to provide evidence to support their eligibility for the Smart and Skilled fee type. Superior Training Centre sights and/or maintains acceptable evidence as detailed in Appendix 3 - Proof of eligibility - Acceptable evidence.

## **7. Additional fees**

The price of a qualification, which is made up of the government subsidy and student fee, covers the total costs incurred by Superior Training Centre to deliver the training, including training materials, learning resources and assessment.

Superior Training Centre does not charge the student any additional fees for the subsidised training, except where specified in the following subsections.

For each qualification, Superior Training Centre will publish on its website any additional costs that will or may be incurred, and ensure that the student is aware of these costs prior to enrolment.

In the event there are additional fees, Superior Training Centre will issue receipts for any monies collected by Superior Training Centre for additional charges. Superior Training Centre will retain copies of any receipts issued.

## **8. Paying fees**

### **Levying of student fees**

Superior Training Centre determines the payment arrangements for student fees and publishes information to inform each student of these arrangements before the student enrolls.

Superior Training Centre collects all fees to be paid by the student by the time they complete their subsidised training. Superior Training Centre, or a related entity or organisation, do not pay the student fee on behalf of a student unless Superior Training Centre is also:

- the employer of the student; or
- is a provider of government-funded employment services (Jobactive) and the student is a client

There are no other circumstances whereby Superior Training Centre will pay a fee on behalf of a student.

Superior Training Centre retains student fees that it collects or evidence that either of the two conditions above were met.

Where a student has applied for a VET Student Loan (or a loan from any other Commonwealth Government loan program) the amount will be paid directly to the Provider by the Commonwealth Government.

### **Discontinuing students**

#### **Withdrawal without penalty**

Superior Training Centre advises the student, prior to any fees being paid, of the 'withdrawal with nopenalty' cut-off date, i.e. the date by which the student can withdraw and be refunded any fees paid at enrolment. This date is determined by Superior Training Centre.

#### **Withdrawal after the without penalty cut-off date**

Where a student withdraws from training after the cut-off date, Superior Training Centre:

- gives the exiting student a statement of fees that includes all fees applied and any fees refunded, if applicable
- complies with Paragraph 9 of the Smart and Skilled Operating Guidelines

### **Fees for student repeat attempts to complete units of competency**

Superior Training Centre does not charge students under Smart and Skilled additional fees for repeat attempts by a student to complete a unit of competency. Superior Training Centre focuses on quality of training and the trainer/assessor mentoring the student to achieve competency

### **Fee refunds**

Superior Training Centre Fees and Refund Policy includes information regarding fees and refunds which includes but is not limited to:

- the 'withdrawal with no penalty' cut-off date

- a process for refunding a student who withdraws from training not of their own accord
- a process for partial refund of fees (when necessary) where CT and/or RPL has been granted
- information on whether the student will get a refund if they withdraw from a qualification but have completed all the requirements for a lower level qualification, which attracted a lower student fee.

Superior Training Centre's Fees and Refund Policy is published on the website for student access prior to enrolment.

### **Co-enrolments**

Superior Training Centre charges a fee for each Smart and Skilled qualification that a student enrolls in. For example, if a student enrolls in both a traineeship qualification and an EFQ qualification, the student must pay the student fee applicable for both qualifications.

### **Recovery of outstanding student fees**

Superior Training Centre's process for the recovery of outstanding fees from a student is included in the Fees and Refund Policy.

### **Changes to Student Fees**

The student will pay the fee for the qualification that applies at the time that they are to commence training. The student will not be affected by any subsequent changes to Smart and Skilled fees

### **Fee Protection Mechanisms**

Superior Training Centre complies with Clause 7.3 Standards for Registered Training Organisations (RTOs) 2015 related to Superior Training Centre's responsibility to protect pre-paid student fees as no more than \$1,500 may be collected at any time.

- Smart and skilled Eligibility:
  - Living or working in NSW
  - Citizenship: Australian citizen, New Zealand citizen and permanent Australian resident
  - Humanitarian visa holder (Refugee or asylum seeker)

### Appendix 5: Eligibility for Smart and Skilled Fee-free Scholarships

A Smart and Skilled eligible student undertaking a full qualification up to and including Certificate IV may be eligible for a Smart and Skilled Fee-Free Scholarship if they are:

- aged between 15 and 30 (inclusive) at the start date for training and eligible for a concession fee (i.e. a Commonwealth Government benefit recipient); or
- meet the Out-of-Home Care definition at the time of enrolment and are:
  - o aged 15-17 years and currently in out-of-home care, or
  - o aged 18-30 years and previously in out-of-home care; or
- aged 15 and over, and be able to disclose (self-declare) at enrolment that they meet the domestic and family violence definition below.

A student is eligible for one scholarship per financial year and a maximum of two scholarships over four financial years. There is a limit of 50,000 Smart and Skilled Fee-Free Scholarships per financial year. This limit does not apply to a student who meets the fee-free criteria who are living in social housing in NSW or on the NSW Housing Register (waiting list); or a student who meets the out-of-home care criteria for a Fee-free scholarship.

#### Social Housing definition

For the purposes of the Smart and Skilled Fee-Free Scholarship scheme, “NSW Social Housing” includes tenants of:

- public housing (owned and managed by the NSW Government or managed by a community housing provider)
- community housing (owned and/or managed by community housing providers)
- Aboriginal housing (owned and/or managed by the Aboriginal Housing Office (AHO) and Aboriginal Community Housing Providers)
- clients receiving crisis accommodation/supported accommodation (Specialist Homelessness Services)
- clients receiving private rental assistance funded by Family and Community Services (for example: private rental subsidy, rental bond loans, tenancy guarantees)

#### Out-of-Home Care definition

The term ‘out-of-home care’ is defined in section 13.5 of the Children and Young Persons (Care and Protection) Act 1985 and refers to children or young people who are cared for by a person other than their parent, in a place that is not their usual home. Children and young people enter out-of-home care because they are in need of care and protection. There are two main types of out-of-home care:

- Statutory care - where the Children’s Court has made a Care Order placing the child or young person in the parental responsibility of the Minister for Family and Community Services
- Supported care - where the Secretary of Family and Community Services forms the opinion that the child or young person is in need of care and protection.

Children and young people in out-of-home care usually reside with relative/kinship carers, foster carers or in residential care services. It is up to Training Providers to ensure the student understands what is meant by the terms “social housing” and “out-of-home care”.

**Domestic and family violence definition**

For the purposes of the Smart and Skilled Fee-Free Scholarship scheme, people who have experienced or are experiencing domestic and family violence or their dependants must have a letter of recommendation from a domestic and family violence service, refuge or other support agency
